DESCRIPTION/OPTIONS: Bobcat 72" Sweeper Bucket • Bobcat 72" sweeper bucket. Perfect to sweep while collecting dirt, leaves, sand, etc. Easily attach this pick up broom sweeper to your quick attach loader, attach the corresponding hydraulic fittings, and you're ready to clean debris away. Using this system allows you to collect all debris and dump the bucket when full to eliminate the need for multiple attachments or tools. This attachment works in both forward and reverse to collect debris or to sweep it away. This cutting edge of the bucket helps to loosen up any hard packed soil, sand, etc. that needs to be removed. This sweeper broom also features the bristle cover to help prevent any debris from being thrown at the machine or at anything in front of the bristles.
