**DESCRIPTION/OPTIONS:** Kubota MX5000 4x4 by Tractor & Loader • This 2002, Kubota MX5000 came to us for a bad injector. It ended up being that the old engine lost lower end. Put a V2203 out of a burnt unit with 240 hours on it. All new injectors, glow plugs and electronic fuel pump. Has all new front differential. Brand new out of the box ice pick tire chains. Needs some hydraulic lines done at some point and tachometer needle is loose but hour meter works great. Bucket is quick attach, not water tight and is useable as is. Besides that all is in working order. Has a user friendly partially synchronized transmission - high and low range, 4x4, power steering, differential lock, collapsable ROPS, rear PTO. The loader is a Kubota LB702 that lifts to over 9'. → We accept trades limited to 4x4 diesel tractors with loaders and equipment. ☐ Interest rates are falling!! ☐ No payments for 45 days - pending approval. ☐ This package can be yours for \$267 per month with \$0 down - pending credit approval!
